Stickney Residents,

Please be informed that Stickney Township will not be participating as an Affordable Care Act Navigator or In-Person Counselor for 2016 Open Enrollment Period. We hope that agencies that have received state and/or federal financial support for these efforts we will reach out to the communities we serve.

The next Affordable Care Act Open Enrollment Period will begin November 1, 2015 and end January 31, 2016. (If you experience any life changes through the year you may qualify for a Special Enrollment after January 31, 2016.) Please be aware that you may be faced with a tax penalty if you fail to secure insurance for yourself and anyone you claim as a joint filer or tax dependent. For those without insurance in 2015 you will have to pay the higher of the two amounts according to Healthcare.gov:

The fee for not having coverage in 2015

If you don't have coverage in 2015, you'll pay the **higher** of these two amounts:

- **2% of your yearly household income.** (Only the amount of income above the tax filing threshold, about \$10,150 for an individual, is used to calculate the penalty.) The maximum penalty is the national average premium for a Bronze plan.
- **\$325 per person for the year (\$162.50 per child under 18).** The maximum penalty per family using this method is \$975.

If you don't have coverage in 2016

- **2.5% of your yearly household income**
- **\$695 per person (\$347.50 per child under 18)**
