LATE ARRIVAL POLICY

OUR PRESCHOOL CLASSES START PROMPTLY AT 9:00 AM AND 12:30 PM. PLEASE BE SURE TO HAVE YOUR CHILD TO CLASS BY THESE START TIMES. IT IS DISRUPTIVE TO THE CLASSROOM AND FELLOW STUDENTS WHEN CHILDREN ARRIVE LATE FOR CLASS.

PLEASE BE ADVISED THAT CHILDREN WHO ARRIVE LATE FOR CLASS WILL HAVE TO WAIT IN THE LOBBY UNTIL THE NEXT CLASSROOM TRANSITION BEFORE BEING ADMITTED INTO THE CLASSROOM. (THIS COULD BE AS LONG AS 15-30 MINUTES THAT YOUR CHILD WILL BE MISSING FROM THEIR EDUCATION).

THANK YOU FOR YOUR COOPERATION.

I have read and understand that if my child arrives for class past his/her start time (as indicated above) I will need to wait with my child in the lobby until the next classroom transition before my child will be admitted into the classroom. I am also aware that the wait could be as long as 15-30 minutes and that my child will be missing this amount of time from his/her education. I am further aware that it is my responsibility to inform those transporting my child of this Late Arrival Policy.

**DROP OFF/PICK-UP POLICY
(KIDDIE PLAY TYME)**

The designated drop off times for the Kiddie Play Tyme programs are 9:00 am (for the AM session) and 12:30 pm (for the PM session). Parents are expected to be prompt when dropping off a child for the program and should plan to arrive a few minutes before 9:00 am (for the AM session) and a few minutes before 12:30 pm (for the PM session). Due to the disruption late arrivals cause other children, please make sure your child arrives on time.

The designated pick-up times for the Kiddie Play Tyme programs are 11:00 am (for the AM session) and 2:30 pm (for the PM session). Any parent who picks up their child after 11:00 am (for the AM session) and after 2:30 pm (for the PM session) will be charged \$5.00 for the first offense. A second offense will incur a charge of \$10.00. A third offense may result in the termination of your child from the program. (Individual situations will be considered). All occurrences will be documented. The determination for a late pick-up charge and termination from the program will be made by the Director or Program Coordinator.

Please be advised that your child will not be able to return to the program until the late pick-up fee is paid in full.

I have read and understand the protocol for the drop off and pick up of my child. I am aware that my child must arrive promptly for class each day. I am also aware that my child must be picked up promptly at program's end. I am further aware that I will be charged a fee of \$5.00 for the first late pick-up and \$10.00 for a second late pick-up. I am also aware that a third late pick-up may result in my child's termination from the program. I am further aware that my child cannot return to the program until the late pick-up fee is paid in full.

Sincerely,

STICKNEY TOWNSHIP YOUTH COMMISSION
SEPARATION STRATEGIES FOR PARENTS
(KIDDIE PLAY TYME)

It is not unusual for a young child to experience difficulty separating from his/her parents when entering an unfamiliar environment. Separation anxiety is a normal developmental stage in which children may experience anxiety when they are separated from the primary caregiver. When feeling anxious about separation, young children may exhibit various behaviors including crying or whining, clinginess, shyness, silence, and unwillingness to interact with others. Changes in the environment and situations such as moving to a new home, a change in caregiver, or even the birth of a new sibling can trigger or exacerbate separation anxiety.

We want your child to have a positive experience with Stickney Township Youth Commission programs and therefore encourage you to help prepare your child for separation from you prior to the start of the program.

Below please find a list of strategies to assist you with preparing your child for absences as well as strengthening confidence and security about your return:

- Practice separation for brief periods and short distances. Praise your child for managing well.
- Plan and talk about enjoyable activities in advance as this can help your child prepare to be away and anticipate positive outcomes. Talk about the Summer Fun program to your preschooler and the fun things your child will get to do at the program (projects, music, games, etc.).
- Read stories, role-play, and remind your child of times when he/she did something independently. (There are a number of books that incorporate the theme of separation anxiety such as *The Kissing Hand* by Audrey Penn and *I Love You All Day Long* by Francesca Rusackas).
- Develop a “goodbye” ritual that is relatively quick and stick to it (such as a special kiss/hug or silly exchange of words like “See you later alligator, after while crocodile”).
- Tell your child when you go that you are leaving and that you will return, then go. Don’t stall or repeat goodbyes as this will just make your child more anxious and clingy.
- Listen to your child’s feelings. Let your child know that you understand his/her feelings and reassure your child that you’ll return.
- Keep a calm, positive attitude. Your child is sensitive to your moods and will pick up on any tension in your voice or gestures. Don’t give in to your child’s tears as they are a ploy to get you to stay.
- Honor time commitments to your child. Be attentive to picking up your child at the specified time. This can assist your child with building trust and security in preparation for a successful separation process.

STICKNEY TOWNSHIP YOUTH COMMISSION

SEPARATION POLICY (KIDDIE PLAY TYME)

The Stickney Township Youth Commission understands that one of the most common challenges for most young children is saying *goodbye* to their parents, also known as difficulty separating. We emphasize the importance of parents utilizing the techniques provided to you on the "*Separation Strategies for Parents*" form provided to all parents upon enrollment.

During the first week of the program, if a child is experiencing difficulty with the parent's leaving, staff will assist the child with separation while encouraging independence.

The parent shall develop a relatively quick goodbye ritual after which staff will escort the child into the room. Staff will then work to calm the child and re-direct that child to another activity while providing reassurance that the parent will return.

We are aware that some children may experience greater difficulty with separation than others and may need longer to adjust to our program. Please be patient and work with staff to assist with providing a positive experience for your child. Our staff, based upon need, will assist with the child's transition to our program and inform the parent of separation issues as they arise. Parents and staff shall be consistent in their approach to dealing with separation anxiety while providing a sense of warmth and caring while encouraging independence.

As time passes by and the child learns to feel safe in a new environment and secure that the parent will return after an absence, the anxiety over separation should decrease or fade.

IMPORTANT PRESCHOOL NOTICE

CHILDREN MUST WEAR GYM SHOES AND SOCKS TO SCHOOL

In order to maintain a safe environment, children enrolled in the Kiddie Play Tyme Preschool Program **must** wear **gym shoes and socks** in order to be admitted into the classroom. **Children presenting for class wearing footwear other than gym shoes will be sent home and will not be able to return to class until they are wearing gym shoes.** Shoes with soft soles that are not gym shoes are not a substitute for gym shoes and are therefore not acceptable to wear in the classroom. Please refer to the gym shoe policy signed upon enrollment for further clarification.

CHILDREN MUST WEAR WEATHER APPROPRIATE CLOTHING

Please be sure to dress your child in weather appropriate clothing. As the cooler weather is approaching children should be wearing coats, hats, gloves, scarves, etc. **The children play outdoors daily unless the weather is inclement therefore it is important that your child be dressed for all weather conditions.** We value your child's safety and don't want to see children getting sick due to lack of protection from the elements of the weather.

BOOT POLICY

Regardless of the weather, **boots are not allowed to be worn in the classroom** during class time. If your child is wearing boots upon entering the classroom, **you must bring a pair of gym shoes to change your child into before class starts.** **(Children presenting for class wearing boots will be sent home and may not return to class until wearing gym shoes).** Boots should be changed in the lobby prior to entering the classroom. The boots can then be placed in your child's locker and taken home at the end of class. After class has been dismissed you may change your child back into his/her boots in the lobby.

Wet and snowy boots present a hazard in the classroom as the children can slip on the wet floor. Also, the children use the classroom carpet daily and won't be able to do so once wet boots have been all over the carpet.

We hope you understand that we are thinking of your child's safety first so please allow some extra time at drop-off and pick-up to change your child's boots if your child will be wearing boots to and from school.

PLEASE PROVIDE THIS INFORMATION TO THOSE TRANSPORTING YOUR CHILD TO AND FROM SCHOOL.

THANK YOU FOR YOUR COOPERATION WITH THESE SAFETY ISSUES
